*On the front cover* – The maternal interest displayed by the cow in her calf is scarcely greater than the pride of ownership on the part of Carl H. Stander, proprietor of Clay Hills Farms, Bellville, Ohio. Cow and calf pose willingly, though somewhat perplexed by the operation of the camera.

## THE WILLOW LEE KIND

This trio by Drynie Wonder won first prize in the Junior get-of-sire class at the 1953 International, and were undefeated wherever shown during 1952.

## THE CLAY HILLS KIND

A recent photo of three calves by Louada Mandate. Bull on the right is Clay Hills Mandate, Lot 25 in this sale.

## THE HOEWISCHER KIND

All by the noted sire, Shore Acres Dunrel. The calves by this bull have been consistent show ring winners and sale-toppers.

# *We Invite You*

We cordially invite you to attend our auction sale on Tuesday, April 28th. All three herds participating in this sale are considerably larger than average, but since we each enjoy a good, private treaty trade, none of us has the capacity for individual annual auctions. Together, however, we are able to supply an offering larger in point of numbers and stronger in quality than the ordinary sale.

Although we do not wish to praise our own cattle, we are very proud of the quality and breeding of this offering, most of which were sired by herd bulls presently in service, sires that we believe to be the best that have yet been used in these three herds. We are certain that careful buyers will recognize that these are breeding cattle and not speculator cattle.

Planning this sale has covered a long period of time, and it has been a real pleasure to work together. Frequent conferences have been held, and each consignor, as well as the sale manager, has been free to criticize and make changes in order to bring about the general improvement of the offering. As a result, we agree that all of the animals are of a kind that we would gladly accept into our own herds for replacement purposes.

Whether or not you are in the mood for buying, we hope you will do us the honor of attending. We are confident that sale day guests will gain a favorable impression of the work we are doing.

## **GENERAL INFORMATION**

**TIME** – The sale will start promptly at 12 o'clock Noon, Eastern Standard Time, on Tuesday, April 28, 1959. Lunch will be served at the farm.

**LOCATION** – This sale will be held at Willow Lee Farm, owned by House & Benroth. The farm is located six miles east of Washington Court House, and 20 miles west of Circleville, Ohio, on Federal Highway 22. We shall be glad to provide transportation from either town for those who come by train or plane if advance notice is given. Two other important sales are to be held on the preceding day – The Teegardin Polled Shorthorn Sale at Oakwood Stock Farm, Ashville, Ohio, starting at 12:00 noon; and the Ohio Polled Shorthorn Breeders' Sale at Circleville, at 7:00 p.m. These two sales are within 40 miles of Willow Lee Farm, and we will gladly supply auto transportation to all who do not have rides.

**SALE HEADQUARTERS** – The Washington Hotel and the Cherry Hotel in Washington Court House are comfortable and both will be used by sale day guests. There are many fine motels in the neighborhood for those who prefer such accommodations. For reservations, please write Dr. O. W. House or Vernon Benroth, Washington Court House, Ohio.

Those who wish to secure further information about the cattle in this sale, or regarding travel or hotel accommodations, may also get in touch with Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Illinois, or H. W. Walker, Indianapolis, Indiana.

**AUCTIONEERS** – C. D. (Pete) Swaffar and Ned W. Place.

**MAIL ORDERS** – Those unable to be present, and who desire to do so, may send buying orders to any of the following men: Hal Longley, The Shorthorn World, Aurora, Ill.; H. W. Walker, Eastern Fieldman, The Shorthorn World, 3906 E. 71st St., Indianapolis, Ind.; Kenneth Fulk, American Shorthorn Breeders' Ass'n, Union Stock Yards, Chicago, Ill.; Ed Huff, Fieldman, The Livestock Breeder-Journal, Culpeper, Va.

## TERMS and CONDITIONS

**GUARANTEE** – All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association, printed on page 78 of this catalog. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**TERMS** – The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH** – Every possible precaution is used to guard the health of animals. All three herds are Federally Accredited for Tuberculosis, and all three are Certified Bangs Free. Nearly all of the younger females in this sale have been calfhood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and those who buy in this sale may be sure that the cattle have complied with the rigid health requirements of the State of Ohio. Health certificates will be furnished with each lot sold.

**LIABILITY** – Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, clerk and sale manager have been employed by House & Benroth, Carl H. Stander and Harvey Hoewischer & Son for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. House & Benroth, Carl H. Stander and Harvey Hoewischer & Son will make every effort to provide for the comfort and safety of those attending the sale, but they can't accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by the owners or from information provided by them.

**INQUIRIES ABOUT CATTLE LISTED** – The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Illinois.

**PLEASE NOTE** – Some breeding dates are given in this catalog and we believe them to be correct as of the date of printing. However, some changes may occur and it must be understood that announcements from the auction block on sale day will take precedence over matter printed in this catalog.

**TELEPHONE NUMBERS** – Phone calls on the morning of the sale may be made to the home of Vernon Benroth, Willow Lee Farms, Phone: Washington Court House 45272. The phone number of Hal Longley, Sale Manager, is Aurora, Illinois 68511.

THIS SALE CONTAINS THE PRODUCTIONS FROM THREE

OHIO'S LEADER 2nd, 1952 International Grand Champion steer over all breeds. Bred by House & Benroth at Willow Lee Farms. Fed and exhibited by Ohio State University.

AN IDEAL PLACE TO BUY  
FOR THOSE WHO KNOW  
AND APPRECIATE  
TOP QUALITY  
AND  
RICH BLOODLINES

*This sale will provide one of the really good places to buy choice seed stock during the Spring sale season. The cattle have been drawn from three of the strongest herds of the breed and are backed by men who hold the highest respect of the industry. It has been a great pleasure to work with the owners in planning this sale because each agreed that they wanted to sell only the kind they would gladly accept themselves as replacements in their own herds. As a result of such co-operation, a wonderfully strong offering has been possible.*

*I heartily recommend this sale as a place for newcomers to buy foundation animals that are certain to perform properly and as a place for well established breeders to secure outstanding replacements. I am sure all persons who attend the sale will agree that the men who produced these cattle are doing a wonderful job for the breed.*

HAL LONGLEY

*of The Shorthorn World*

### HERE'S WHY YOU MAY BUY WITH CONFIDENCE . . .

The herds owned by House & Benroth, Carl H. Stander and Harvey Hoewischer & Sons have few equals for the performance of their production, both in the show ring and in the herds of those who have bought them.

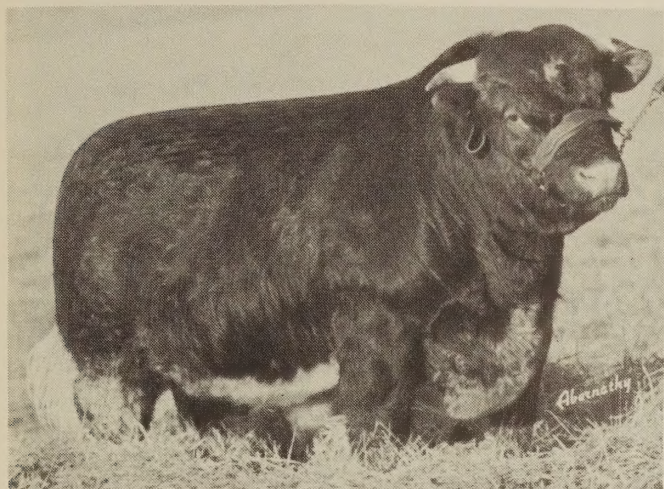

The cattle in this sale are not only individuals of correct type and quality, but also THEY ARE BRED TO CARRY ON.

The owners of these three herds do not believe in the high fitting of sale cattle. The cattle in this sale will be in exactly the right condition to perform properly.

Calfhood vaccination is practiced in these herds and all three herds are Accredited for BOTH Tuberculosis and Bangs Disease

OF THE MOST HIGHLY REGARDED HERDS IN AMERICA

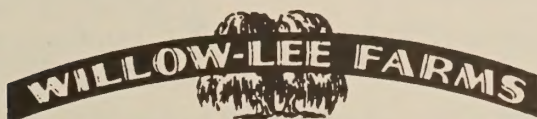

Left — DRYNIE WONDER, imported son of Naemoor Immaculate. Used with great success in the Willow Lee herd. Few bulls have contributed more to the improvement of the breed during the past decade. Sons and grandsons have been used at three famous state universities — Ohio, Pennsylvania, and Michigan.

Right — WILLOW LEE ENSIGN, top selling bull in our sale a year ago. At \$2725 this son of Willow Lee Wonder 17th was purchased by S. D. Hackley, Oxford, Maryland.

WILLOW LEE WONDER 17th -- Junior herd bull at Willow Lee Farms, had a very successful show record. He was grand champion bull at the 1953 Ohio State Show. He won his class at the Ohio State Fair and was a member of the winning junior get-of-sire the same year at the Internat'l (1953). In 1954 he was grand champion bull at the Michigan State Fair and reserve champion bull at the Eastern National Show at Baltimore. He is proving to be a great sire for us. One of his first calves was sold to Penn State University as a herd bull.

KIRKTON MASTERMAN -- Line-bred in the blood of the noted Kirkton Baronet, here is a truly great breeding bull. His calves were exhibited for the first time at 1957 shows. His junior "get" stood second at the Ohio and Michigan State Fairs and were among the tops at the Pennsylvania and Eastern National Shows. One of his daughters was reserve grand champion at the Michigan State Fair, won her class in the sale show at Chicago and sold in the International Sale at \$1,050 to Fred Smalstig of Pittsburgh.

WILLOW LEE BENEFACTOR 8th - Here is the bull we have elected to retain for herd service, and we have good reasons for so doing. He has inherited the bone, substance, width, depth and character of his famous sire. His imported dam, a daughter of Drynie Conquest, is one of the greatest cows of the breed. Willow Lee Benefactor 8th stood third in class at the Pennsylvania Show and the Eastern National when only eight months old. We have great faith in him.

LOUADA MANDATE - Purchased in 1956 from Louada Farm when ten months old for \$3500. He is by the great improving sire, Calrossie Armada, whose get have commanded top prices from the best breeders in both the United States and Canada. His dam, Kair Nonpareil Evelyn by Bapton Commando, and grandam by Calrossie Fearless, were two of the outstanding cows in the great Louada herd. Mandate honestly inherits his great conformation, grand head and short, heavy-boned legs, together with good fleshing and pliable hide from his great ancestry. He was particularly impressive as a calf and has improved as he has matured. All who have seen him have agreed unanimously, "He is one of the great bulls of the breed." We searched here and abroad for a sire to replace the great beef breeding, Greenwood Souvenir and now are satisfied we have finally found another equally as good.

BALLATHIE MAJESTIC -- Purchased at Perth in 1955 where he stood second in class. An especially well, line-bred grandson of Calrossie Harmony, the sire of Calrossie Welcome and other great breeding bulls and out of a cow by Glastullich Smasher, grand champion at Perth, a half brother to Calrossie Harmony. Some of the greatest bulls of the breed appear close-up in his pedigree. Majestic is a bull of moderate size with a good head and great bone. He is siring calves of good colors, good doers and quick breeders. His daughters have nicked well with Louada Mandate as the several heifers with calves at foot will testify.

CLAY HILLS MANIFEST -- This bull calf, while young, is being offered to show the breeding ability of our great sire, Louada Mandate. He has been a good calf since dropped and will develop into a great bull without any qualifications. His grandam will be remembered as the great show cow whose picture was used extensively as a great Shorthorn cow, senior champion female at Ohio State Fair and top female wherever shown. She was sired by the imported Marshal Monty and cost us \$1500 at the International Sale. This bull could put someone in the Shorthorn business or make some existing breeder's operations more profitable.

CLAY HILLS MANDATE — The first bull calf by Louada Mandate and much like his famous sire at the same age. When purchased, Mandate was but ten months old and cost us \$3500. We purposely did not mate him until six months later to give him every opportunity to properly mature and assure his breeding ability later on. When first used, he was only given one service per week and settled practically every one on the first service. Clay Hills Mandate, if similarly handled, should be equally as sure a breeder as his sire. His dam descends from our best show family, having stood well up at the Ohio State Fair. This family produced D N Souvenir, second prize junior calf at the International Show, and later selling for \$2500 to a North Dakota herd where he bred especially well.

CLAY HILLS BLOSSOM D 3d -- This good heifer is a sister of the top selling female in our sale consignment here in 1957 going to a good herd in Pennsylvania. She descends from a family of show cows that always have sold well at four-figure prices to discerning buyers. She has a grand November bull calf at foot by Louada Mandate that should develop into a great sire. This is a great opportunity to grow yourself a herd sire and have a top Shorthorn brood cow to boot.

CLAY HILLS BLOSSOM D 4th -- We are proud to offer this outstanding show heifer as our special attraction in this sale. She inherits her show conformation honestly from her great sire, Louada Mandate and dam, Clay Hills Orange Blossom D, a former show heifer selling in the International for \$1,000 to Dwight Griffith's Strowan Farm. We repurchased her in their dispersal and she is now one of our outstanding brood cows. Her heifer calf topped our consignment in the Willow Lee-Clay Hills auction, 1956 going to W. Campbell, Centre Hall, Pennsylvania, at a four-figure price. Sells open.

3

1. Here are a few of the cows in the strong herd maintained by Harvey Hoewischer & Son. All display the character that goes along with good breeding.
2. Here are a few of the members of the Clay Hills herd. Owner Carl H. Stander calls this a "Non-Hothouse" herd of cows. Don't they look perfect in this natural setting?
3. Pastures are lush at Willow Lee Farms and wonderful Shorthorns graze them. Few herds have earned a finer reputation for the production of good-doing cattle.

The heifers in this picture were all bred at Clay Hills Farm. All were sold in our 1956 sale. The buyers were: Ted Franklin, Jasper, Ala.; Brown-Forman Experimental Farm, Frankfort, Ky.; House & Benroth and Lewis Babb, Washington C. H., Ohio; and C. B. Teegardin & Son, Ashville, Ohio.

WONDER'S PRINCESS ROYAL 3d - This grand show heifer is a full sister to the bull we sold in the 1957 International Sale to John Whitehead, Robinwood Farm in Indiana, where he is reported siring good calves in that herd. We purchased the mother from House & Benroth in the 1957 sale at the bargain price of \$500 with the bull calf at foot and carrying this grand heifer. She now has a great roan bull calf at foot sired by Louada Mandate and will be due to calve again before sale time. Certainly there should be an object lesson here for every Shorthorn breeder, "You can pay more, but you can't buy better" than the breeding offered right here in this sale. Through the generosity of our new Shorthorn neighbors, James and Lois Wells, we were able to trade bull services and have this grand heifer mated to Louada Principal, their great, dark red herd sire. We, too, greatly admired Principal at the time we purchased Mandate and are happy to see him develop into a grand herd sire for Pancake Ridge Farm. This is the kind of heifer we should be buying instead of selling. Bred July 23, 1958, to Louada Principal.

CLAY HILLS PAULINE -- We endeavored for years to acquire a member of this most sought-after family until 1955 when we were compelled to give \$2700 to Louada Manor for the mother of this grand heifer. Since she then had a heifer at foot and dropped the third heifer calf this year, we have decided to offer Clay Hills Pauline as a special attraction. She not only carries this grand pedigree, but also possesses great Shorthorn brood cow qualities in addition, and further is safe in calf to Louada Mandate since July 3, 1958. The prospective calf she carries will have the greatest concentration of Calrossie Armada, Calrossie Welcome, Calrossie Harmony, Cruggleton Justinian and Glastullich Smasher blood possible to get into one individual. This heifer would command a terrific price outside the U.S.A. Buy her here and save the difference.

Fortress was the number one bull in the Louada auction selling for \$7,000 in 1955. She is a heifer's first calf and certain proof of the rapid reproduction ability of this great family. She will be mated and guaranteed safe in calf. You can pay more, but we doubt if you can buy any better anywhere. Bred January 20, 1959, to Louada Mandate.

CLAY HILLS AUGUSTA 3d A1 — purchased in our 1956 sale by Fred Smalstig, Pittsburg, Pa., at the bargain price of \$325, and a member of the same family as Lot 31 in this sale. Did she do well? Read the letter printed below.

Mr. Carl Stander  
Belleville, Ohio

Dear Carl:

You might remember the heifer dad bought in your sale a couple of years ago — Clay Hills Augusta 3d A1. Her first calf out of Majestic was castrated and topped our steer calves a year ago. Her second calf, Timberlee's Souvenir x, is one of the best bulls to be dropped at the farm. I showed him this past summer and he stood second at West Virginia in mixed competition. At the Pennsylvania Exposition in November he was third in class — and many fellows told me that he should have been sure second. He is just a Junior calf, born on January 6th.

Souvenir is solid red, extremely thick, and has a good top on him. He is by the bull dad got out in Omaha from Otto Johnson, Defender's Glory x. We think a lot of him — and so do most people who have seen him at the shows.

The Augusta cow presently has an outstanding heifer calf just three weeks old, out of our Consort bull.

CLAY HILLS AUGUSTA 4th -- A granddaughter of Greenwood Souvenir whose mother was first prize winning summer yearling for Fishers in 1952. She is from the same family that produced Woodshade Diamond, grand champion bull at Ohio and Michigan State Fairs in 1959. She will sell open with a breeding privilege to Louada Mandate.

Billy Hoewischer, son of Mr. and Mrs. William Hoewischer, Sidney, Ohio, and youngest member of the firm of Harvey Hoewischer & Son, leads champion 1953 All-Ohio show and sale heifer, Dunrel Augusta by Shore Acres Dunrel, into sale ring where she brought \$900. Many of her half-sisters will sell in this sale.

## **The Hoewischer Assignment**

Five bulls and nineteen females from a herd that commands the respect of Shorthorn breeders everywhere.

**NOTE** – All of the animals in this consignment were developed by the Hoewischers.

Although the above points out a few of his top offspring, his greatest value as a sire has been his ability to sire calves of excellent type and uniformly high quality.

The late Professor Kays once said, "Bulls are plentiful but sires are few." Others have said, "You are lucky to have one great breeding bull in a lifetime." Although experience shows much truth in these statements we always look forward in securing better sires. It was a lucky day for the Hoewischers when we fought the snow of 1950 and made it to Chicago where we purchased Shore Acres Dunrel in the International Sale from Arnold Bros. for \$2,100. We are grateful that he has proved himself as a successful sire.

KAIR MONARCH - When the Katters and Hoewischers went searching for a herd bull in '55 they found Kair Monarch at Leveldale Farms. He was a sensational calf that had many admirers. It so happened that Gene Mathers priced the bull at \$3500 while his Dad was at Perth watching the Crocus Count calves make their greatest record - champion and reserve. Monarch was a strong masculine bull with great bone. His daughters have been great milkers and excellent brood cows. Kair Monarch's sire, Calrossie Crocus Count, sired both Supreme Champion Bulls in the 1954 Perth Sale; Junior Champion Bull in the 1956 Perth Sale; Reserve Junior Champion Bull in the 1957 Perth Sale; and Reserve Grand Champion Bull in the 1957 International.

PANEL ROYAL MINSTREL -- It has been said, "Buy 'em when you find 'em." Well that is what the Hoewischers did when they saw Panel Royal Minstrel. He was purchased in the 1958 Ohio State Sale in partnership with Walter Henkener of St. Marys, Ohio. Minstrel might be described as a breedy, lowset thick bull with an extra full rump and thick quarters. His curly breedy head makes you think, "Stock Bull." A glance at his colorful pedigree makes you think you must be right. We regret however the picture of him does not do him justice. Several heifers carry his service.

WILLOW LEE SENSATION -- The Hoewischers secured an interest in this bull as a calf from House & Benroth and have been developing him. He has come along nicely and today is quite a promising young bull. When you study him you find he is short legged, thick and well balanced. He weighed 950 at 12 months making him about the right size. Our confidence in him grows when we think about his wonderful mother and the performance of his sire. White, G.J.C. Anderson

DUNREL WELCOME -- Unfortunately this bull did not photograph well. You'll find him a lowset bull with great hair and excellent bone. We purchased his dam in a Greenwood sale a few years ago for \$1500. Her first daughter is the dam of one of the good young heifers we have in this sale. The Andersons say this Nonpareil family is one of their good ones. Look him over sale day, think about his pedigree and make your appraisal. Remember your herd bulls in a life time will determine to a great extent your success in the breeding business.

MONARCH LEADER -- A heifer's first calf that needs a little more time to look his best. He is very correct in his lines and sound in his legs. His sire, Kair Monarch by Calrossie Crocus Count, was a very masculine rugged bull with the kind of substance you like to see in a stock bull. His mother is of the good dependable producing Sultana family that you will read about in other footnotes. The dam of this bull is a very pleasing daughter of Dunrel which we sold to Frank Sheffer to start a new herd. He is extremely pleased with her and says she is an extra heavy milker. Here is a bull we feel will go out and do a job.

DUNREL DRAGON 2d -- This young bull has come along on his mother's milk and although only in moderate flesh he has the even lines, correct legs and good head that are essential. Fat does wonders if you first have the above characteristics. His dam is the \$1100 Augusta Chrissie 7th. For further discussion of Chrissie family see footnote under Dunrel Chrissie. Knowing the background of this calf we feel he could do a job in a herd that is having some color difficulty for he has a beautiful soft rich red coat of hair.

CONQUEST'S DESIGN -- Some will remember Willow Lee Conquest that sold in last year's sale to Andy Miller for \$800. Before selling him we used him considerably and he proved to be quite a good sire. We lost the oldest son by him that was just one of the best bulls we ever produced. Design is the next oldest bull and he has much to recommend him. First he is a great feeder and he really looks like a bull. Study his well sprung rib and even thickness from front to rear. As I mentioned in another footnote, his dam is an extra good daughter by Dunrel.

Add to this the blood of Calrossie Crocus Count and Killearn Max Senator and you have a great blood combination that should breed on. When you see the heifer we are sure you'll agree she wears her pedigree well. Calfhood vaccinated.

She is beautifully balanced, sweet headed and stands correctly on her legs. If we were planning for a complete show string this heifer would not be offered. Her mother spent two years in our show string. Many will remember Dunrel Rosebud 4th whose record under five different judges read like this: Champion State Show, Champion Ohio State Fair, Reserve Champion Michigan, 3rd Eastern National, 2nd International and Champion sale heifer at the International. As evidence of our confidence in the Rosebud family, we have more of them in our breeding herd than any other. Calftlood vaccinated.

She is one of four daughters of Drynie Battleship we are selling - we think they are a nice group. Again we remind you they are all out of daughters of Shore Acres Dunrel. A full brother of the dam of this heifer was one of the first sons of Dunrel and topped the Auglaize County sale at \$600. This heifer is carrying a long service date to Panel Royal Minstrel (see reference sire). Bred November 3. Calfhooed vaccinated.

DUNREL SULTANA A (twin) -- Needless to say this is a prolific family that, although not as well known as some, has produced very well for us. A full brother topped an Ohio sale one year; a full sister is the dam of one of our good bulls in this sale; our senior heifer calf in '55 from this family was 1st at the State Show, 1st Ohio State Fair, 2nd Michigan, 3rd Eastern National and member of 3rd prize pair calves at International. This in my book proves the value of a family. Bred September 29, to Panel Royal Minstrel. Calfhood vaccinated.

DUNREL SULTANA B (twin) -- See footnote for Dunrel Sultana A. These heifers never had any extra milk other than their mother's. Frank Sheffer purchased a full sister of these heifers and he tells us she is a wonderful milker and an easy keeper. Bred November 9, to Panel Royal Minstrel. Calfhood vaccinated.

DUNREL CLIPPER 3d -- The dam of this heifer was one of the top heifers in a London, Ohio sale a few years ago. She has been a dependable brood cow. A full sister of the above heifer is one of our typy young Dunrel cows. Study the calves in our consignment out of Dunrel daughters and you'll appreciate their value as brood cows. She will be bred to Panel Royal Minstrel before sale time. Calfhood vaccinated.

K M PRINCESS 2d -- This heifer is out of one of our good daughters of Dunrel from the great Princess family we purchased from Hollis Hansen. A full brother of the dam of this heifer topped one of our State Sales at \$700. A full sister of K M Princess 2d is solid red and is now a valued brood cow in the Karl Timmerman herd. We have sold only a few Kair Monarch daughters as we have retained most of them in our herd. All of them have been extra heavy milkers and their calves speak well for them. Look up Dunrel Monarch in the sale. He is out of a daughter of Kair Monarch. Also look up Conquest's Design who is out of the dam, K M Princess 2d. She will be carrying the service of Panel Royal Minstrel since October 16. Calfhood vaccinated.

THIS SALE CONTAINS THE PRODUCTIONS FROM THREE

# **Standard Guarantee**

OF

**AMERICAN SHORTHORN BREEDERS**

**ASSOCIATION**

1. Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves shall be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee. Health certificates will be provided with each lot sold.
